“Business Inspiration Generator”

People may describe it differently, but 'inspiration' is essentially what keeps your creativity and imagination flowing, and in business, its significance is even more manifest. With the 'right' inspiration come the 'right' influence and ideas to create the 'right' business strategy.

With **Centre Point Conference Service**, we are proud to contribute to generating the great inspirations that have sprung out in profusion in meetings and conferences held at Centre Point locations.

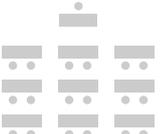

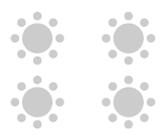

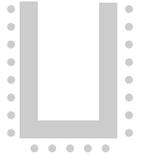

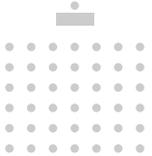

Sophisticated and modern meeting and conference facilities available at Centre Point locations cover virtually all your needs. Spacious areas, advanced equipment and technical support, convenient internet connection, highly adaptable room settings to suit specific requirements at affordable budgets ... you name it and we will arrange it professional for you.

Any company which has benefited from our "Conference" service can tell you that we always go to great lengths to ensure the comfortable and inspiring ambience for your important business gatherings. But here, there's something special which you have to experience to believe.

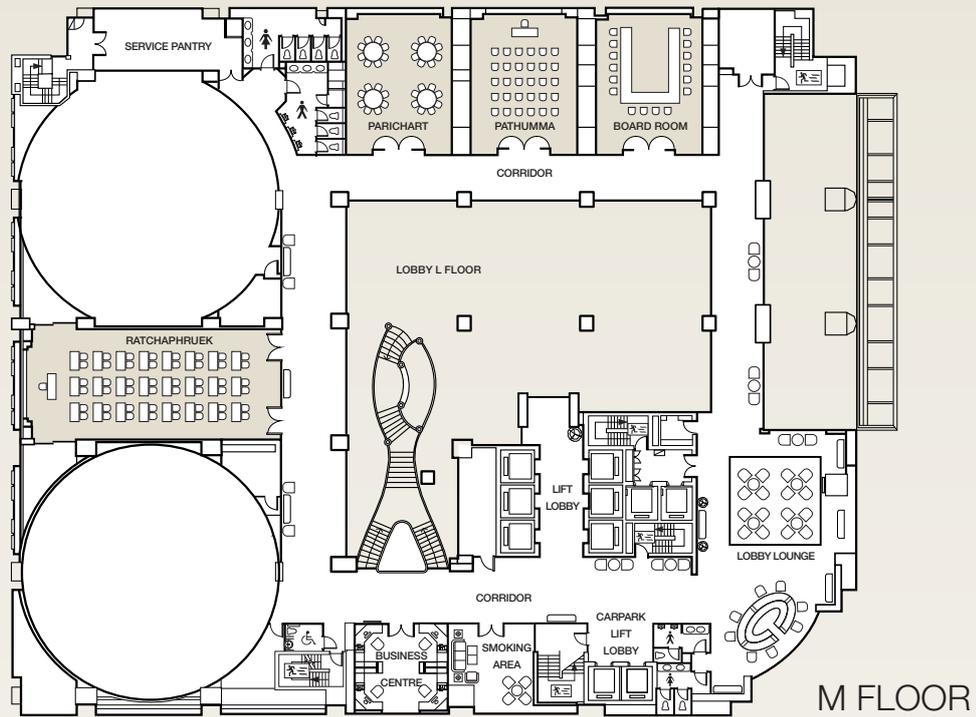

"Superior services ... not as a duty, but from the heart"

the Centre Point Culture has been and always will be at the core of our business operations, and it's the secret that keeps our satisfied clients coming back for more.
